

ULTRA SLIM TRI-FOLD FOLIO CASE

For iPad® mini with Retina Display and iPad mini

The Ultra Slim V7 Slim Tri-fold Folio case for the iPad® mini is a sleek, ultra-thin and versatile for the on-the-go individuals who wants to enjoy the iPad mini comfortably with two viewing angles that's perfect for watching movies, typing or video chat. There are precise cutouts to provide full access for the camera lens, ports, and the function buttons. The folio case offers the iPad mini great protection from dust, scratches, oily finger prints, and gentle impacts. An embedded magnetic closure puts the iPad mini into sleep/wake mode by simply opening/closing the folio. The folio's durable construction and hard semitransparent back cover with four reinforced grip corners provide the ultimate protection and makes it easy to hold. This stylish, lightweight, ultra thin folio case comes in black, grey and green.

Key Features:

- Sleek and form-fitting design that provides a protective housing
- Integrated sleep / wake function
- Precise cutouts allow full access to all ports and buttons
- Versatile stand with two viewing angles, perfect for typing and video chat
- Constructed with superior material for ultra-protection
