Protect your laptop and personal information while on the go with the Kensington Portable Combination Laptop Lock. The push button design offers one hand operation for easy installation while the Kensington T-bar secures the lock to your laptop. The self-coiling cable stretches to 6' to anchor to a desk or fixed structure yet shrinks down to just 3" for easy packing.

### Features and Benefits

- Superior strength lockhead to resist tampering
- Push button design for one hand operation to easily install lock
- Keyless 4-wheel combination
- Easily resettable
- Choose from 10,000 possible combinations
- Anchors to desk, table or any fixed structure
- Attaches to laptop via the Kensington Security Slot found in 99% of computers

### Technical Specs
