Bag Toss

Washer Toss

3-Hole Bag Toss

2 to 8 players

Preparation: Set the boards 18 feet apart from the front of the boards on even ground. (Adjust as needed for children).

Game Rules:

Each team gets 3 bags to throw. Play continues alternating Player/Team until each player has tossed their bags.

With four players, team members stand at opposite ends and may throw from either side of the box.

Players must throw from behind the front of the boxes, which is the foul line. If a player crosses the foul line the throw does not count and the bag is removed from play.

Each team alternates throws beginning with the team that scored last.

Scoring:

Points are scored when a player lands a bag in the hole.

Top Holes = 5 Points
Middle Holes = 3 Points
Bottom Hole = 1 Point

No Score - Bags that miss the hole or bounce off the ground do not count in scoring.

To Win - Throwing your Bean Bags into the 1, 3, and 5 point holes. First Player/Team to reach 50 points wins!

3-Hole Washer Toss

2 to 4 players, singles (2) or partners (4)

Preparation: Set the boards 10 feet apart from the front of the boards on even ground.

Game Rules:

Each player has a turn to throw three washers in each round.

Players always throw towards the same board. The team or player that scored points last goes first, throwing all three washers. Points are added up for all washers that land in the board.

The first player or team to reach twenty-one (21) points wins the game.

Optional: Some players require the winning person or team to reach 21 without going over.

Scoring:

The closest hole is worth one (1) point, the middle hole is worth three (3) points, and the furthest hole is worth five (5) points. Washers must drop into the hole completely to score. A thrown washer from either player can knock washers on the board in a hole. It is important to remember whose washers are on the board in case of a knock-in throw. The owner of the knocked-in washer receives the applicable score for the hole into which it was knocked.
