READY-TO-ASSEMBLE – CA DOJ APPROVED

These RTA cabinets are easy for your customer to transport home and take up less retail floor space.

7 integrated steel parts make assembly easy.

Approved by the California Department of Justice as meeting their standards for firearm safety.

3-point locking system with double-bitted, key-coded cylinder lock for greater security.

Removable shelves are included for greater storage and organization.

Exteriors have an epoxy paint finish, most with chrome or gold accents.

Fastening hardware is included with each cabinet.
