

Chosun International Toys Inc.

Company Profile

After 31 years in the plush market,CHosun continues to grow as a manufacturer of plush toys.

Chosun has offices and showrooms located in Seoul , Korea , Kowloon,Hong Kong and New York.We have production capabilities in Shenzhen of China.

Utilizing these showrooms and experienced sales representatives, Chosun sells directly to mass retailers in the U.S as well as in European countries.

Our goal them,as today, is to continually provide our customer with quality plush at affordable prices. Our committed to design, safety and excellence in production is renewed with every order that is placed.

Last several years, Chosun has been expanding product lines. For example, we have become the top plush Halloween Costume Manufacturer with unique designs and quality.

Chosun is dedicated to advancing in this new century through innovation and committment to excellence.Chosun will continue to be a major influence in the toy industry.
