CARGO CARRIER BASICS:

WHAT TO CONSIDER WHEN PURCHASING A CARGO CARRIER

1. Items you want to carry – size, quantity, especially longer items like skis, paddles, fishing poles, hockey sticks etc...
2. Level of protection and security for gear
3. Ease of loading and unloading
4. Ease of installation and removal
5. Storage of cargo carrier when not in use
6. Location of cargo carrier on vehicle

CARGO CARRIER OPTIONS:

1. ROOF TOP BOX CARRIERS

Transport your gear safely on your roof.

- Carries up to 110 lbs. of cargo
- Allows full access to trunk and hatch
- Leaves space inside vehicle for family members or pets
- Mounts to most factory installed roof racks and after-market roof rack systems such as SportRack and Thule

2. ROOF TOP BAG CARRIERS

Extra carrying space for your vehicle and can be removed and stored easily when not in use

- Capacity – 13 to 15 cu. ft
- Easy to install, remove and store when not in use
- Mounts to most factory installed roof racks and after-market roof rack systems such as SportRack and Thule

3. HITCH MOUNT CARRIERS

Easiest and fastest carrier to load and unload

- Carries up to 13 cu. ft or 150 lbs. of cargo
 - Waist level loading and unloading
 - Requires a 1.25" or 2" receiver hitch – class II or III
- * Available at www.sears.com ONLY
