The Samsung StormWash™ Dishwasher cleans the messiest pots and pans without the hassle of pre-washing.

Long Description

The Samsung StormWash™ Dishwasher cleans the messiest pots and pans without the hassle of pre-washing. This heavy-duty system has powerful rotating spray jets to clean at every angle for even tough to reach spots. The AutoRelease™ door pops open, to circulate air and accelerate drying time, while the FlexLoad™ Rack can adjust to accommodate bulky cookware and tall delicate glasses simultaneously.

Priority Features

		<u>Feature Copy</u>	<u>Short Ad Copy</u>
Feature 1:	StormWash™	- A heavy-duty wash gets the messiest pots and pans thoroughly clean without pre-washing.	Powerful Rotating Jets Wash Even the Dirtiest Dishes
Feature 2:	AutoRelease™ door	- At the end of a cycle the door automatically pops open to circulate air and accelerate drying time.	Door Opens to Accelerate Drying
Feature 3:	Indicator Light	- Indicates whether it's running and can be seen from across the room.	Indicates the Dishwasher is on

Additional Features

- Digital Leak Sensor identifies leaks as small as 2.7 oz and shuts itself off before water can escape.
- A four layer door and special insulation system significantly minimizes noise during operation.
- FlexLoad™ racking - A new flexible racking system makes it easy to fit various dishware shapes and sizes.
- Touch Control – An integrated panel makes it easy to select functions with a gentle touch. Located on the top of the door for easy access, it offers simple control and is clear and easy to read.
- Sani Rinse option sanitizes dishes, eliminating 99.99% of food bacteria, as certified by NSF International.
- Hidden heating element helps protect plastic, while Auto Release™ door improves drying 35%.
- 6 Wash Cycles and 6 Options let you adjust the pressure and temperature.
- Accommodate 15 place settings so that you can wash more dishes at once.
- Sturdier, enhanced tines help your dishes stay put.
- Half load option offers greater flexibility to do small loads, saving energy and water.
- This dishwasher is ENERGY STAR compliant so that you can save money on your energy and water bills.
- Self-Cleaning Filtration System to wash away food debris.
