

One Year Warranty - Headphones

Moki International provides warranty for repair or replacement of your Moki headphones ensuring it is free from manufacturer defect and material workmanship. Warranty coverage extends for twelve (12) months from the date of purchase. It covers only those defects that may arise as a result of normal use and does not cover cut cords, scratches, bent jacks or other problems that may arise as result of:

- Abuse, misuse, loss or theft.
- Any improper customisation, removal of parts or other unapproved modification by user or third party.
- Operation or storage in environments that may expose the product to wet or excessively hot conditions.
- Damage caused by liquid or moisture.
- General wear and tear faults due to usage.
- Faults considered a personal dislike.

This warranty gives specific legal rights and applies only to the original customer. It does not override other rights you may have in your country, state or jurisdiction. To obtain warranty service or replacement please first contact place of purchase, alternatively send an email requesting a Returns Authorisation Number to support@mokiinternational.com

For quick processing please include the following information.

- Full name and address
- Contact telephone number or email address
- Model number / name of headphones
- Details as shown on original purchase receipt.
- Description of fault

Or Call US - **949-258-4380**

Limitation of Liability

Moki International shall not be liable for damage to other property caused by defects, based on loss of time or data or any damages to property whether incidental or consequential.
