

# Solo

The Solo Shower Enclosure opens up the look of a smaller bathroom with fresh modern style. Graceful lines accentuate the quarter round enclosure with beautifully curved tempered glass. The innovative design is a smart solution where space is limited. The single sliding door panel creates a comfortably wide opening without claiming the space required for a swing door. Combine this enclosure with a DreamLine shower base and backwall system for a streamlined installation.

**Features:**

- 1/4" (6mm) tempered clear or frosted glass
- Chrome hardware finish
- Reversible for right or left door opening
- Anodized aluminum wall profiles and guide rails
- 3/4" out-of-plumb adjustment on each side
- Optional SlimLine™ shower base and backwalls available
