# POWER

## ***Powering On***

For the best powering, fully charge device before use.

To power on, Press and Hold  for 2 seconds until the Blue LED starts to flash.

## ***Powering Off***

Press and Hold  for 2 seconds until all LEDs are no longer illuminated.

# PAIRING / AUX

## ***Bluetooth Pairing***

The unit will automatically go into "Pairing Mode" when it is powered on. Go into your Bluetooth device settings and look for '5712 / 9612 /12610'.

The unit will then re-connect automatically when the device is in range. Note: Bluetooth timeout is 10 minutes and will enter "Auto-Sleep" mode.

## ***Aux-In***

Plug in supplied 3.5mm cable into the unit. The other end is connected to your device. The Green LED will illuminate when 'Aux' mode is activated.

*Note:* Be aware of the volume level on your device. (9612 & 12610 only)

### ***Auto-Sleep Mode***

The Bluetooth speaker will turn to 'Auto-Sleep' mode when idle for more than 10 minutes. The speaker will have a warning tone.

Press and hold the  to wake up your speaker. Auto Sleep will not activate if the Speaker is paired.

### ***Re-connection mode***

If by any reason your device and speaker disconnect, such as losing bluetooth range or your device powers off, the speaker will attempt to re-connect for 10 minutes.

Note: After initial pairing and connection, the speaker will also "auto-connect" with compatible devices that auto-search and re-connect with the last connected device.

### ***Disconnect Bluetooth***

1. While your device is powered on, press and hold  button on speaker until you hear the tone to disconnect Bluetooth.
2. Close the Bluetooth from your device.

# LISTEN

## *Listen To Music*

Press  to start playing music

Press and hold  2 seconds to play next track

Press and hold  2 seconds to play previous track

Press either  or  for volume control

# MAKING CALLS

When the unit is connected and paired to your device, the unit allows you to make or receive phone calls with its built-in microphone.

To accept calls or end calls press .

To reject a call, press and hold  for 2 seconds.

# CHARGING

Attach the USB cable to the unit, and plug into any USB charger. If the unit is completely discharged, it will take approximately 3 hours to fully charge.

The Red LED will illuminate during charging, when it has completed, the Red LED will turn off.

*Note:* The unit will notify with a beep when the battery is low and recharging will be recommended.

# TROUBLESHOOTING
