SIGNATURE FEATURES

LARGEST 34 CU. FT. CAPACITY

- Our 34 cu. ft. extra large capacity 4-Door French Door has enough room to fit up to 34 bags of groceries.¹

¹ Among consumer-grade freestanding refrigerators

METAL COOLING

- Locks in cold, seals in freshness.
- Stainless steel paneling helps maintain consistent temperature throughout the refrigerator.

TRIPLE COOLING

- Provides precise temperature and humidity controls in all three zones.²
- Your food stays fresher longer with 2 compressors and 3 evaporators, an industry-first.²

² Among consumer-grade freestanding refrigerators.

FRIDGE IN FREEZER

- Versatile, bottom-right door can be a fridge or freezer, maximizing fresh food storage space.
- The most fresh food storage available in its class at 26.7 cu. ft., when the convertible zone is used as a refrigerator.³
- Four customizable temperature settings: Fridge at 41°F, Chilled at 30°F, Soft Freeze at 23°F and Frozen at 9° – 1°F.

³ Among consumer-grade freestanding refrigerators

INTRODUCING THE LARGEST REFRIGERATOR IN ITS CLASS.*

Chef Inspired Features

INSTALLING YOUR REFRIGERATOR

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entry way in the home is wide enough for the refrigerator to be moved through easily.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details consult manual packed with product, or download manual on-line at samsung.com.

DIMENSIONS

TOTAL CAPACITY: 34.3 CU. FT.

Refrigerator: 19.1 cu. ft.

- Ice Master Ice Maker
- 4-Pillar High-Efficiency LED Lighting
- 5 Tempered Glass Spill-Proof Shelves

* One of the largest refrigerators in Samsung's current lineup.

Samsung received the highest numerical score for refrigerators in the proprietary J.D. Power and Associates 2012 Kitchen Appliance StudySM Study based on 12,615 total responses measuring 17 brands and measures opinions of consumers about their refrigerator obtained new in the past 24 months. Proprietary study results are based on experiences and perceptions of consumers surveyed in January-February 2012. Your experiences may vary. Visit jdpower.com.

Actual color may vary. Design, specifications, and color availability are subject to change without notice. Non-metric weights and measurements are approximate.
