**CONSUMER PRODUCTS APPROVED SERVICE CENTERS**

WARING product(s) are produced with the finest workmanship and materials available for durable service. However, if at any time repairs are required, send the complete appliance prepaid to the Waring Service Center or to the authorized service center nearest you. The authorized service centers are listed inside, and have been carefully selected to render faster and more efficient service with factory-approved procedures for testing, disassembly, assembly and adjustment with genuine WARING replacement parts.

This warranty supersedes all other express product warranty or guaranty statements.

FIVE YEAR LIMITED MOTOR WARRANTY ONE YEAR LIMITED APPLIANCE WARRANTY

This warranty is available to consumers only. You are a consumer if you own this product that was purchased at retail for personal, family or household use. Except as otherwise required under applicable law, this warranty is not available to retailers or other commercial purchasers or owners. Waring warrants that this product's motor shall be free from defects in material and workmanship for a period of five years from the purchase date. All other components are warranted for a period of one year from date of purchase.

The consumer must present the original proof of purchase in order to obtain the warranty benefits. In the event that you do not have proof of purchase date, the purchase date for purposes of this warranty will be the date of manufacture.

CALIFORNIA RESIDENTS ONLY

California law provides that for In-Warranty Service, California residents have the option of returning a nonconforming product (A) to the store where it was purchased or (B) to another retail store that sells Waring products of the same type. The retail store shall then, according to its preference, either repair the product, refer the consumer to an independent repair facility, replace the product, or refund the purchase price less the amount directly attributable to the consumer's prior usage of the product. If neither of the above options results in the appropriate relief to the consumer, the consumer may then take the product to an independent repair facility, if service or repair can be economically accomplished. Waring and not the consumer will be responsible for the reasonable cost of such service, repair, replacement, or refund for nonconforming products under warranty.

California residents may also, according to their preference, return nonconforming products directly to Waring for repair or, if necessary, replacement by calling our Consumer Service Center toll-free at 1-800-269-6640. Waring will be responsible for the cost of the repair, replacement, and shipping and handling for such nonconforming products under warranty.

BEFORE RETURNING YOUR WARING PRODUCT

If your Waring product should prove to be defective within the warranty period, we will repair it or, if we think necessary, replace it. To obtain warranty service, please call our Consumer Service Center toll-free at 1-800-269-6640 for shipping instructions. To facilitate the speed and accuracy of your return, enclose \$10.00 for shipping and handling. (California residents need only supply a proof of purchase.) Be sure to include your return address, description of the product's defect, product serial number, and any other information pertinent to the return. Please pay by check or money order. NOTE: For added protection and secure handling of any Waring product that is being returned, we recommend you use a traceable, insured delivery service. Waring cannot be held responsible for in-transit damage or for packages that are not delivered to us. Lost and/or damaged products are not covered under warranty.

Your Waring product has been manufactured to the strictest specifications and has been designed for use only with authorized accessories and replacement parts. This warranty expressly excludes any defects or damage caused by accessories, replacement parts or repair service other than those authorized by Waring.

This warranty does not cover any damage caused by accident, misuse, shipment or other than ordinary household use. This warranty excludes all incidental or consequential damages. Some states do not allow the exclusion or limitation of these damages, so these exclusions may not apply to you. You may also have other rights, which vary from state to state.

Important: If the nonconforming product is to be serviced by someone other than Waring's Authorized Service Center, please remind the servicer to call our Consumer Service Center at 1-800-269-6640 to ensure that the problem is properly diagnosed, the product is serviced with the correct parts, and to ensure that the product is still under warranty. Inquiries concerning this warranty and the use or service of Waring appliances should be sent to:

WARING SERVICE CENTER
314 ELLA T. GRASSO AVE.
TORRINGTON, CT 06790
(800) 269-6640

or

WARING CANADA
100 CONAIR PARKWAY
WOODBIDGE, ONTARIO,
CANADA L4H 0L2
(800) 472-7606

This appliance is for 120 volts only and should not be used with a converter.

IMPORTANT: Be sure to return all parts with the appliance, packed carefully, and indicate your return address on the outside of the package. You may wish to insure the package against possible damage or loss in transit. Electrical appliances require special repair procedures; therefore, repairs should never be attempted by anyone other than a Waring authorized service person. In order to derive the most enjoyment and best service from your Waring appliance, please take a few minutes to read carefully the instructions contained in the enclosed booklet.
