Safety Information

SET UP YOUR FURNITURE PROPERLY

- ☐ Ensure that all parts are assembled properly and fully tightened as per the instructions.
- ☐ When placing in the desired location, ensure that all legs are resting on the same surface. You may adjust the legs levelers as required to ensure that the item stands in a rigid position.

EXAMINE YOUR FURNITURE

- ☐ Examine occasionally to ensure that there are no loose parts. If loose parts are found, they must be retightened fully before additional use.

Warranty

WARRANTY

We warrant our products to be free of manufacturing defects to the original purchaser for the period listed below. We reserve the right to make substitutions with similar merchandise, if the model in question is no longer in production.

EXCLUSIONS

This warranty does not cover: Furniture used for commercial or non-residential purposes; failures caused by improper care; unreasonable or abusive use; freeze damage; acts of nature. Steel products are not covered against rust. Tempered glass table tops are not covered against breakage.

FINISH

Frame finish is warranted to be free of manufacturing defects for a period of one (1) year. Discoloration or fading of the finish as a result of exposure to the elements, chemicals, or spills is not covered.

FABRIC

Fabric is warranted to be free of manufacturing defects for a period of one (1) year. Discoloration or fading of the finish as a result of exposure to the elements, chemicals, or spills is not covered.

FRAMES

Frame is warranted to be free from defects in material or workmanship for a period of one (1) year for steel frame.

FREIGHT & PACKAGING

Freight and packaging are the responsibility of the original purchaser.

CUSTOMER SERVICE

In case of a problem, call 1-800-457-4652 between 9:00 am to 5:00 pm Eastern standard time Monday through Friday or contact us at www.numarkcustomerservice.com for any question or problems you may have.

Care and Maintenance

- ☐ Though its powder-coated finish is rust-resistant, steel is prone to rust over time with exposure to the elements. In case of rust or scratches, lightly sand the affected area and apply touch-up paint. Periodically treat frames with a liquid wax for added protection against UV rays. Wash with a mild solution of soap and water; rinse thoroughly. Dry frames completely. Do not use bleach or solvents. Cover furniture with outdoor-furniture covers when not in use. Disassemble and store gazebo indoors during winter months.
- ☐ Wash with a mild solution of soap and water; rinse thoroughly. Dry completely. Do not use bleach or solvents. Store canopy indoors during winter months to prevent collapse.
- ☐ Always assemble your gazebo on a soft, non-abrasive surface. The gazebo is heavy; use care when handling. Assembly by two adults is recommended. Follow manufacturer's instructions carefully.

Special Warning

Special Warning

Assemble your pergola on a soft, non-abrasive surface to avoid damage. The pergola is heavy. Use care when handling. Assembly by six adults is recommended. The pergola is not intended to be a permanent structure. Take it down during high winds or it may be damaged.

KEEP ALL FLAME AND HEAT SOURCES AWAY FROM CANOPY FABRIC

The canopy is made with flame-resistant fabric which meets CPAI-84 specifications. It is not fireproof. The canopy fabric will burn if left in continuous contact with flame source. The application of any foreign substance to the canopy fabric may render the flame-resistant properties ineffective.

Caution

- ☐ This pergola is made for the explicit purpose of providing limited outdoor sun shade and is not to be used as a toy, shelter or tent. This pergola is not intended for inclement weather in any form including, but not limited to: rain, hail, sleet, snow and/or wind. Do not locate structure near any open flame. Do not use structure as a support. Do not shake, lean or climb on structure. Children under age of 10, near the structure, should be supervised by a competent adult at all times.
- ☐ Assembly by six people is recommended.
- ☐ Estimated Assembly Time: 90 minutes

Pre-Assembly

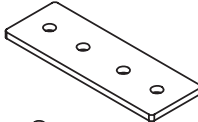

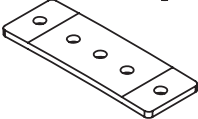

PLANNING ASSEMBLY

Read through all the instructions before beginning assembly. Unpack and identify all the parts. Place them on a flat, non-abrasive surface.
