Care and Maintenance

- Though its powder-coated finish is rust-resistant, steel is prone to rust over time with exposure to the elements. In case of rust or scratches, lightly sand the affected area and apply touch-up paint. To maintain the finish, periodically apply wax with a soft cloth.
- Wash frames and cushions with a mild solution of soap and water; rinse thoroughly. Dry completely and drip-dry cushions. Do not use bleach or solvents.

PLANNING ASSEMBLY

Read through all the instructions before beginning assembly. Unpack and identify all the parts. Place them on a flat, non-abrasive surface. Assembly by two people is recommended.
