Warranty

1 YEAR WARRANTY FOR FRAME AND FABRIC

Limited warranty is applicable on parts only. Warranty extends solely to the original purchaser who must offer original sales receipt for record.

WHAT IS COVERED

Limited warranty is applicable on parts only. We warranty to the original purchase for one year limited from the date of purchase that the frame, fabric, speaker, audio controller LED light and AC adapter will be free from manufacturing defects.

WHAT IS NOT COVERED

Product used for commercial, contract, or other non-residential purposes, or damage due to acts of nature, vandalism, misuse, or improper assembly is not covered. Corrosion or rusting of hardware is not covered. Warranty is to the original purchase and is non-transferable. Any replacement of warranted items will be in the original style and color, or a similar style and color if the original is unavailable or has been discontinued.

SERVICE CENTER

The purchaser must contact our customer service center directly if this product is found to be defect in material or workmanship. The manufacturer, as its option, will repair or replace the defectives parts.

Please contact us via 1-800-961-9838, 9AM-5PM, Pacific Time Zone, Monday-Friday, or customerservice@bondvast.com

Care and Maintenance

- For cleaning, use a mild detergent solution and rinse with water. Do not use acetone abrasive or others special detergents to clean and air dry only.
- Due to the nature of steel, surface oxidation (rusting) will occur if this protective coating is scratched. This is a natural process. To minimize this condition, it is recommended that care be taken when assembling and handling the product in order to prevent the paint from being scratched.

SPECIAL CARE SHEET:

Do NOT use the AC adapter during precipitation or inclement weather.

Do NOT leave the AC adapter outside, place and store in dry place.

Keep the AC adapter away from babies and children.

In order to protect the LED lights, do NOT break the Acryl panel of the post.

All lighting equipment is designed to prevent humidity and moisture, please do not disassemble.

Please always keep the speaker cover on the right position, the speaker is waterproof.

When NOT using period of time, please turn off the power switch and unplug the AC adapter.

Please connect all cables securely before plugging in power cable into power outlet.

All the parts are special design for this product only, changes or modifications not approved by the party responsible for compliance could void the user's authority to operate the equipment. The manufacture will not be held liable for any direct, indirect, incidental or consequential damages.

Pre-Assembly

PLANNING ASSEMBLY

To prevent damage, place all parts on a soft surface during assembly.

Tools required for assembly (not included): Allen wrench (included), a screwdriver, stepladder (min. 5ft.) and other safety items such as gloves, safety eyewear, and hardhat. To avoid injury from exposed sharp edges, it may be necessary to use the above safety equipment.
