

LIMITED WARRANTY

This LIMITED WARRANTY is extended by OPTOMA Technology, Inc. to the original purchaser of the Projector (Product[™]) and is not transferable. OPTOMA warrants the Product against defects in materials and workmanship under normal use for a period of TWO (2) YEARS from the date of the original purchase. If the product becomes defective during its warranty period, OPTOMA will, at its option, repair or replace the product with new, reconditioned, or re-manufactured components or parts. If the Product purchased is a refurbished unit, the warranty period will depend on the terms for that particular unit which are described in the refurbished unit's warranty card. The period may vary anywhere from "Sale as is" to "90 Days Limited Warranty".
