

LIMITED 1 YEAR WARRANTY: (Timer)

Prime warrants this product to be free from manufacturing defects for a period of one year from the original date of purchase ("warranty period"). This warranty is limited to the repair or replacement of this product only and Prime is not liable for any consequential or incidental damage to other products that may be used with this unit. This warranty is effective only if such unit is returned to Prime not later than thirty (30) days after the expiration of the warranty period. Warranty is void if damage is due to neglect, misuse, alteration, modification, improper installation, or repair by other than Prime. This warranty is in lieu of all other warranties express or implied. Some states do not allow limitations on how long an implied warranty lasts or permit the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you. It is our experience that a product that fails prematurely due to a manufacturing defect in materials or workmanship, will generally do so very early in the product's life cycle, often the first or second time the product is used. Products that are returned for warranty inspection after months or years of continuous reliable service are usually the result of normal wear and tear, which is not considered a defect in materials or workmanship and therefore is not covered by the warranty. This warranty gives you specific rights, and you may also have other rights which vary from state to state. If unit should prove defective within the warranty period, return within the time period set forth above prepaid with the original purchase receipt to:
