

A tablet for all occasions.

Play harder. Work faster. And get everything you need to go. Meet Toshiba's Encore™ 2 8-inch and 10-inch tablets. Thinner, faster and more capable than ever, these Windows® tablets with vibrant displays and ultrafast Wi-Fi® are ready to go, wherever you go.

Brilliant HD TruBrite®, IPS, Multi-Touch Display

So much to see, so much to do. Choose from an 8-inch pocket-sized entertainment powerhouse or a 10-inch that gives you plenty of room to work, play and share.

Enjoy the Best of Windows®

Move seamlessly from one thing to another with a split-screen view, browse better and faster with Internet Explorer® 11, make video and voice calls with Skype™, easily synchronize and share content across your other Windows® devices, and much more.

Your Office—At Home or on the Go

Get going with a one-year subscription to Office 365™ Personal featuring full versions of the latest versions of Office applications.

Intel® Atom™ Processor

Multitask with ease, browse the web at high speed and soak up all the entertainment you love with the Intel® Atom™ processor. Enjoy quad-core performance and less waiting with InstantGo technology.

Up to 64GB Built-In-Storage

Available with 32GB or 64GB built-in-storage plus a microSD™ card slot that supports SDXC cards up to 128GB to help ensure that you always have plenty of space.

Excellent Battery Life

Get going quickly with fast startup and extend your work or fun all day with an excellent battery life rating of up to 11 hours.

High-Fidelity Audio

Give your music and movies a boost with onboard stereo speakers and Dolby® Digital Plus audio.

High-Resolution Webcam and Camera

Capture and share all your favorite moments with a 1.2MP fixed-focus front webcam and 5MP auto-focus rear camera with FHD video capture.

Wi-Fi® and Bluetooth® 4.0

Enjoy speedy Wi-Fi® performance with 802.11n and easily connect with other devices with Bluetooth® v4.0.

TruCapture™ App

Toshiba's exclusive TruCapture™ app lets you use this tablet's built-in camera to capture notes from textbooks, blackboards, whiteboards and chalkboards—and automatically straightens and sharpens the text for greater readability.

The 10-inch Encore™ 2 tablet makes connectivity easy with its microSD™ slot, micro HDMI® and USB 2.0 ports.

Look smart and lighten your load with a new, slim, modern design.

Battery Life. Battery tests were conducted by Toshiba using specific preproduction tablet units and software. Actual battery life may vary depending on settings, application usage, features or tasks selected, network configuration, operating temperature and many other factors. Testing consisted of full battery discharge while performing certain tasks such as video playback, Internet browsing using Wi-Fi and standby mode. Auto-Brightness was turned off.
