Interior padded tablet pocket plus secure storage space for your personal items

Adjustable crossbody strap for carrying comfort

Part #: MEMTCO

SRP: \$69.99

The Crossbody Tech Organizer is the convenient solution for all your essentials when you are on the go. This stylish lightweight bag offers secure storage for your personal items, wallet, camera, chargers & cords, keys and cosmetics. A padded fur-lined pocket will protect your iPad or other 10" tablet.

The integrated workstation features pockets for your phone, flash drives, memory cards, pens and business cards. Two large exterior pockets provide easy-access storage for the items you need to get to quickly. The Vegan leather exterior with polished faux-croc trim and the plaid cotton-twill lining will keep you looking good. The adjustable shoulder strap lets you wear the case just the way you want it, regardless of your height.

The Crossbody Tech Organizer is the perfect hands-free travel companion for cross-country trips or your daily errands.
