Kensington®

SafeDome™ Secure for iMac®

K67768WWA

Product Description

A computer as sleek as the iMac deserves a lock just as stylish. The Kensington SafeDome™ Secure delivers with a dome design that compliments the iMac aesthetics. Use with the revolutionary ClickSafe® lock (purchased separately) that secures in just one click. The Ultra cable provides the flexibility to change the position of the iMac on your workstation with the highest level of security in public environments. And SafeDome also helps clean up your desktop by managing your iMac accessories securing your mouse, keyboard and other peripherals.
