## Safety Information

---

### SET UP YOUR SHELTER PROPERLY

- ☐ Please read and understand this entire manual before attempt to assemble, operate, or install the product.
- ☐ If any part is missing or damaged. Do not attempt to assemble the product.
- ☐ Two to four people are needed for assembly.
- ☐ In order to avoid damage to the gazebo and its components please use appropriate tools.
- ☐ Do not use the structure as support.
- ☐ Check all screws on a regular basis to maintain the solidity of the structure.
- ☐ Keep instruction for future use.
- ☐ Approximate time: 2 - 4 hours

### EXAMINE YOUR SHELTER

- ☐ Examine occasionally to ensure there are no loose parts. If loose parts are found, they must be retightened fully immediately.

## Warranty

---

### 1 YEAR WARRANTY FOR FRAME AND FABRIC

Limited warranty is applicable on parts only. Warranty extends solely to the original purchaser who must offer original sales receipt for record.

### WHAT IS COVERED

Limited warranty is applicable on parts only. We warranty to the original purchase for one year limited from the date of purchase that the frame and fabric will be free from manufacturing defects.

### WHAT IS NOT COVERED

Product used for commercial, contract, or other non-residential purposes, or damage due to acts of nature, vandalism, misuse, or improper assembly is not covered. Corrosion or rusting of hardware is not covered. Warranty is to the original purchase and is non-transferable. Any replacement of warranted items will be in the original style and color, or a similar style and color if the original is unavailable or has been discontinued.

### SERVICE CENTER

The purchaser must contact our customer service center directly if this product is found to be defect in material or workmanship. The manufacturer, as its option, will repair or replace the defectives parts.

Please contact us via 1-800-961-9838, 9AM-5PM, Pacific Time Zone, Monday-Friday, or [customerservice@bondvast.com](mailto:customerservice@bondvast.com)

## Care and Maintenance

---

- ❑ For cleaning, use a mild detergent solution, rinse with water, and allow to air dry. Do not use acetone, abrasive, or other special detergents as they would be harmful to the product's finish.
- ❑ Due to the nature of steel, surface oxidation (rusting) will occur if this protective coating is scratched. This is a natural process. To minimize this condition, it is recommended that care be taken when assembling and handling the product in order to prevent the paint from being scratched.

## Warning

---

### **WARNING: KEEP ALL FLAME AND HEAT SOURCES AWAY FROM THIS TENT FABRIC.**

The tent meets the flammability requirements of CPAI-84. The fabric may burn if left in continuous contact with any flame source. The application of any foreign substance to the tent fabric may render the flame-resistant properties ineffective.

This gazebo is intended for decorative and sunshade purposes only and is not meant to withstand inclement weather including high winds, rain and snow. Gazebo fabric is water resistant, not water proof and may leak during exposure to precipitation.

**Load of the hook on the roof: 50lbs (MAX). Please don't hang fan or any other working items on the hook.**

## Pre-Assembly

### PLANNING ASSEMBLY

To prevent damage, place all parts on a soft surface during assembly.

Tools required for assembly (not included): Allen wrench (included), a screwdriver, stepladder (min. 5ft.) and other safety items such as gloves, safety eyewear, and hardhat. To avoid injury from exposed sharp edges, it may be necessary to use the above safety equipment.

Do not leave it unattended if not fully assembled even if bolted to the ground.

### HARDWARE INCLUDED

**NOTED:** Hardware not shown to actual size.

\_\_AA

\_\_BB

\_\_CC

\_\_DD

\_\_FF

Part	Description	Size	QTY.
AA	BOLT	(Φ 6 x 15mm)	48
BB	BOLT	(Φ 6 x 35mm)	16
CC	BOLT	(Φ 6 x 20mm)	8
DD	BOLT	(Φ 6 x 10mm)	16
FF	ALLEN WRENCH		1

## Pre-Assembly (continued)
