

brand advantage

Our mission is to provide our customers with high quality imaging products and our research and development, manufacturing processes and testing standards and guidelines ensure a consistent, reliable product with printouts that are sure to impress!

Best in Class Means...

Each Innovera toner cartridge goes through an 10-step remanufacturing process including post-testing and other intense quality control measures.

Innovera defect rates are consistently under 1.5%, well below the industry average.

Warranty

Innovera ink and toner cartridges come with a one-year warranty from the date of purchase and commits that our Innovera products will be free from defects in materials and workmanship.

Support

If during the warranty period a defective Innovera product causes damage to a print head or printing mechanism we will repair the damaged product or reimburse the customer for the reasonable cost of repairing the damaged product.

Customers can notify Innovera product support by calling toll free 866-756-4676 or by emailing InnoveraSupport@ussco.com

Where it all works together.
