

# GE Profile™ 30" Built-In Twin Flex Convection Wall Oven

Model# PT9200SLSS

- Fit Guarantee - Replacing a similar wall oven from GE Appliances or another brand? GE wall ovens are guaranteed for an exact fit or GE Appliances will pay up to \$300 toward modifications. See offer criteria and details
- True European Convection with Precise Air (lower oven) - Enjoy golden brown, perfectly even results with a third heating element and a reversing fan that provides enhanced heat and air circulation
- 5.0 cu. ft. total oven capacity (2.8 lower; 2.2 upper) - Cook sides or desserts in the upper oven while roasting a 22-lb. turkey in the lower oven
- Flexible and versatile cooking options - Prepare two different foods at two different temperatures at the exact same time
- Rapid Preheat - The upper oven preheats twice as fast as standard GE models, so everyday meals are ready in less time
- Self-clean, heavy-duty roller rack - Easily access everything from a heavy roast to a delicate dessert thanks to durable racks that glide smoothly on ball bearings and stand up to the heat of self-clean
- Slow cook - Create fall-off-the-bone short ribs while you're at work
- Pizza mode - Get a perfectly crisp pizza crust without burning your toppings
- Self-clean oven - Cleans the oven cavity without the need for scrubbing
