- Steam + Sani (NSF 184 Certified)
- TempBoost
- 50 dBA

Available Finishes

	Black Stainless QDP555SBNTS
	Fingerprint Resistant Stainless Steel QDP555SYNFS

Signature Features

WiFi Connected

Stay connected and in the know with the Haier app. Use your mobile device to monitor cycle status, track detergent pod usage, even link to Amazon to automatically reorder detergent—how cool is that?

Status Bar

At-a-glance, the status bar lets you know how your dishwasher is doing, while you're busy doing other things. The bar turns blue when it's running and white when it's finished.

Nightlight

Here's a little kitchen convenience we know you're gonna love: a built-in nightlight in the dishwasher door that creates the perfect setting for late-night snacking.

Wash Zones

With wash zones, you don't have to wait for a full load to run the dishwasher. So, if you only have a few dishes to wash, no problem. Choose the half-load option and press on with life.

Power Requirements

Electrical Rating	120V, 60Hz, 8.9A
