Limited Warranty

iTOUCH Wearables warrants to the original purchaser that your iTOUCH Wearables-branded device shall be free from defects in materials and workmanship under normal use for a period of (1) year from the date of purchase.

Remedies:

If such a defect arises and a return authorization is received by iTOUCH Wearables within the applicable Warranty Period, iTOUCH Wearables will, at its option and to the extent permitted by law, either (1) repair the Product at no charge, using new or refurbished replacement parts or (2) replace the Product with a new or refurbished Product. In the event of such a defect, to the extent permitted by law, these are your sole and exclusive remedies. Shipping and handling charges may apply except where prohibited by applicable law. This Limited Product Warranty is valid only in the jurisdictions where the Products are sold by iTOUCH Wearables itself or through its authorized reseller or agent and is valid to the extent permitted by the applicable laws of such jurisdiction. Any replacement Product will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer, or for any additional period of time that may be required by applicable law.

Obtaining Warranty Service:

To obtain warranty service, a return authorization must be requested from our customer service team. To request a return authorization, please contact Customer Service here: <https://itouchwearables.com/pages/support>. The Return Merchandise Authorization (RMA) number must be included along with your returned product. You must deliver the Product (including its respective accessories) in either its original packaging or packaging providing an equal degree of protection, to the address specified by iTOUCH Wearables. As may be required by applicable law, iTOUCH Wearables may require you to furnish proof of purchase details and/or comply with other requirements before receiving warranty service. It is your responsibility to backup any data, software, or other materials you may have stored or preserved on the Product. It is likely that such

data, software, or other materials will be lost or reformatted during warranty service, and iTOUCH Wearables will not be responsible for any such loss.

Exclusions and Limitations:

iTOUCH Wearables does not warrant that the operation of the Product will be uninterrupted or error-free. This warranty does not apply to a Product or part of a Product that has been serviced, altered, refurbished, or modified by anyone who is not authorized by iTOUCH Wearables, nor does it apply to any cosmetic damage such as scratches and dents. In addition, this Limited Product warranty does not apply to damage or defects caused by (a) use with non-iTOUCH Wearables Products; (b) accident, abuse, misuse, mishandling, water damage, flood, fire, earthquake or other external causes; (c) normal wear and tear or aging of the Product such as discoloration or stretching; or (d) operating the Product (i) outside the permitted or intended uses described by iTOUCH Wearables, (ii) not in accordance with instructions provided by iTOUCH Wearables, or (iii) with improper voltage or power supply.

ITOUCH WEARABLES SHALL NOT BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL, OR CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, LOSS OF PROFITS, REVENUE OR DATA, RESULTING FROM ANY BREACH OF EXPRESS OR IMPLIED WARRANTY OR CONDITION OR ANY OTHER LEGAL THEORY, EVEN IF ITOUCH WEARABLES HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
