Hiatt Manufacturing, Inc.

Hiatt Manufacturing of Winona, Minn., designs, manufactures, packages, and distributes the Stokes Select® line of products. Hiatt Manufacturing specializes in precision manufacturing and custom wire forming. Because of exceptional manufacturing capabilities, reliable delivery, and quality finishing and packaging, "Hiatt Manufacturing" has become synonymous with "quality." Hiatt has recently doubled the size of its facility, putting its resources to use for the production of Stokes Select®.

For more information on Stokes Select® feeders, accessories, books, and display packages, contact Hiatt Manufacturing:
