CARE AND CLEANING:

A tight cover ensures longer life and performance. Always maintain a tight cover. Loose fabric can accelerate deterioration of cover fabric. Immediately remove any accumulated snow or ice from the roof structure with a broom, mop or other soft-sided instrument. Use extreme caution when removing snow from cover- always remove from outside the structure. DO NOT use hard-edged tools or instruments like rakes or shovels to remove snow. This could result in punctures to the cover. DO NOT use bleach or harsh abrasive products to clean the fabric cover. Cover is easily cleaned with mild soap and water.

OBSERVERA:

Detta skydd är tillverkat av kvalitetsmaterial. Det är designat för att passa det skräddarsydda tygöverdraget från ShelterLogic®, Corp. som ingår. Skydd från ShelterLogic®, Corp. erbjuder förvaring och skydd från skador som orsakas av sol, lätt regn, trädsav, djur- och fågelspillning och lätt snö. Förankra denna konstruktion från ShelterLogic®, Corp. ordentligt. Läs anvisningen för mer detaljerad information om förankringen. Det är kundens ansvar att förankra ordentligt, hålla skyddet spänt och fritt från snö och skräp. Läs och förstå monteringsanvisningen, varningarna och försiktighetsåtgärderna innan monteringen påbörjas. Ring kundtjänst på numret nedan om du har några frågor. Hänvisa till garantikortet i förpackningen.

FARA:

Kontrollera alla lokala bestämmelser för installation av tillfälliga skydd innan monteringen påbörjas. Välj platsen för ditt skydd omsorgsfullt. Fara: Håll borta från elledningar. Kontrollera luftdragna ledningar, trädgrenar eller andra föremål. Kontrollera nedgrävda rör och ledningar innan du gräver. Montera INTE nära tak eller andra konstruktioner varifrån snö, is eller överdriven avrinning kan hamna på ditt skydd. Häng INTE föremål från taket eller i stödvajrarna.

VARNING:

Brandrisk. Rök inte eller använd inte anordningar med öppen eld (däribland grillar, eldstäder, fritöser, rökkanor eller lyktor) i eller i närheten av skyddet. Förvara INTE lättantändliga vätskor (bensin, fotogen, propan osv.) i eller i närheten av ditt skydd. Utsätt inte taket eller sidorna på skyddet för öppen eld eller annan flammkälla.

FÖRSIKTIGHETSÅTGÄRDER:

Var FÖRSIKTIG när du reser ramen. Använd skyddsglasögon under monteringen. Säkra och fäst stolpar som är placerade över huvudet med bultar under monteringen. Se upp för stolpkanterna.

ORDENTLIG FÖRANKRING OCH MONTERING AV RAMEN:

DET ÄR KUNDENS ANSVAR ATT FÖRANKRA RAMEN ORDENTLIGT.

ShelterLogic®, Corp. ansvarar inte för skador på enheten eller innehållet som orsakats av naturkrafter. Skydd som inte är säkert förankrade kan flyga iväg och orsaka skada. Detta täcks inte av garantin. Kontrollera förankringarna emellanåt för att säkerställa att skyddet är stabilt. ShelterLogic®, Corp. kan inte hållas ansvarig för skydd som blåser iväg. OBSERVERA: Överdraget till ditt skydd kan snabbt tas bort och förvaras i händelse av svåra väderförhållanden. Om väderprognoserna förutspår stark vind eller oväder i ditt område rekommenderar vi att du tar bort överdraget.

RESERVDELAR, MONTERING, SPECIALBESTÄLLNINGAR:

Originalreservdelar och -tillbehör från ShelterLogic®, Corp. kan levereras från fabriken, däribland förankringssatser för nästan alla användningsområden, ersättningsöverdrag, vägg- och inhägnadssatser, ventilations- och belysningsatser, ramdelar, blixtlåsförsedda dörrar och andra tillbehör. Alla artiklar skickas från fabriken direkt till din dörr.

SKÖTSEL OCH RENGÖRING:

Ett spänt överdrag håller längre och fungerar bättre. Se alltid till att överdraget är spänt. Löst tyg kan göra att överdraget slits snabbare. Ta genast bort snö eller is som samlats på taket med en sopkvast, mopp eller annat mjukt redskap. Var väldigt försiktig när du tar bort snö från överdraget – arbeta alltid på utsidan av konstruktionen. Använd INTE verktyg eller redskap med hårda kanter, som skrapor eller skyfflar, för att ta bort snön. Detta kan leda till att överdraget går i sönder. Använd INTE blekmedel eller starka slipmedel för att rengöra tygöverdraget. Överdraget rengörs enkelt med mild tvål och vatten.
