

Powerplay Streetrod 2600 is built using best-in-class components that can withstand rugged use from any dirty job you throw its way. Putting the muscle behind the name with Honda Horizontal Shaft GC160 Engine and Annovi-Reverberi High Pressure Axial pump delivering a flow rate of 2.3 GPM. Engineered for comfort and stability thanks to our anti-vibration system (PAVS), the ergonomic design includes an ergonomically enhanced frame, oversized 12"x 3" wheels for great maneuverability and a 5.5L on board detergent tank. Streetrod can handle any cleaning job from siding and windows to stripping paint or power washing vehicles. Our machines are built to outperform and outlast the competition.
