The correct attachment of this product is critical and beyond the control of Rightline Gear. The safe use and long life of this product depends entirely on your good judgment and following these directions.

Pack The Roll Bar Storage Bag

1-Place items like recovery gear, clothing, towels, first aid kits, road side equipment, snacks, etc. in the main compartment A. Place smaller items in the outer zippered pocket B (Fig 1).

Attach The Roll Bar Storage Bag

1-Position the bag so that its zipper pull holders are located at the top of the bag (Fig 1).

2-Buckle the bottom strap around the roll bar, without twisting the strap (Fig 2).

3-Buckle the top strap around the roll bar, without twisting the strap (Fig 3).

4-Stretch the bag along the roll bar and tighten both straps (Fig 4).

5-Move the tri-glides towards the loose ends of the straps (Fig 5).

CAUTION: Make sure that the seat belts can move unrestricted before operating the vehicle.
