Mobo Tot Disney Frozen: A Toddler's Ergonomic Three Wheeled Cruiser

The sparkling magical style of the Mobo Tot Disney Frozen brings out the wonders of what we call innovation at its finest! Packed with enhancements from unique steering to comfortable seating, the Mobo Tot Disney Frozen is unmatched in the world of three-wheeled cruisers. With quality you can trust, this cruiser features an extendable, sturdy frame and never flat tires that grows with your child and last for years to come. It also includes a new innovative rear-wheel steering system with reversibility function that will make your child say "Wow, Wow, Wow!" Adjustable frame to fit heights up to 42", fun to ride, and easy to maintain — what more can you ask for? Riding wild with imagination, let your child have a enchanting time on the Mobo Tot Disney Frozen as she has never encountered before!
