WALLYHOME LIMITED WARRANTY

FOR ONE YEAR from the date of sale this Product has a warranty against defects in materials or workmanship when it is correctly connected, operated and maintained according to all supplied instructions.

If a defect arises and a valid claim is received WITH PROOF OF SALE within the Warranty Period, then as your sole remedy (and Wally Labs' sole liability), Wally Labs will at its option either 1) replace the Product with a new product that is functionally equivalent to the original, or 2) repair the defect at no charge, using new or refurbished replacement parts, in each case within 30 days following receipt of the returned Product. A replacement product or part assumes the remaining warranty of the original Product. When a Product or part is exchanged, any replacement product or part becomes your property and the replaced Product or part becomes Wally Labs' property. This warranty does not cover the batteries, which are expendable parts that can wear out from normal use within the warranty period.

This warranty covers ONLY defects in material and workmanship, and will NOT pay for:

1. Damage to or failure of this Product if it is not correctly connected, operated or maintained according to all supplied instructions.
2. Damage to or failure of this Product resulting from accident, immersion, alteration, exposure to extreme conditions, abuse, misuse, or use for other than its intended purpose.
3. Damage to or failure of parts or systems resulting from unauthorized modifications made to this Product.
