

## **6 MONTH REPLACEMENT PARTS WARRANTY**

This product carries a replacement parts warranty against defects in materials and workmanship for a period of 6 months from the date of purchase. At its discretion MFG may provide replacement parts. Original purchaser will be required to provide proof of purchase. The consumer will be responsible for shipping cost incurred outside the U.S. or Canada. Warranties DO NOT cover normal wear and tear, misuse, abuse, inclement weather conditions ( i.e. wind, rain, hail, lightning, tornadoes or hurricanes ) or other acts of God, mildew and rotting, damage or fading caused by prolonged exposure to UV rays. This warranty gives you specific legal rights. You may also have other rights which vary from state to state.

**Under no circumstances shall MFG be liable for any incidental or consequential damages.**

**DO NOT EXPOSE THE TENT TO DIRECT SUNLIGHT LONGER THAN NECESSARY.** The sun's ultraviolet rays degrade most fabrics and materials. If left in direct sunlight for prolonged periods of time, the fabric will fade and weaken. UV damage is not covered by the MFG warranty.

The tent is water repellent. It is not, however, waterproof. During heavy continuous rain, some leakage may occur. Avoid contact between objects and the inside of the tent, as this may result in leakage at points of contact. In the event of seam leakage apply seam sealer compound.

Although our tents are manufactured according to rigorous specifications, periods of wind and rain may loosen stakes and cause frame to sink into the ground. This will weaken the structure's overall rigidity. Puddles may also form on the roof if the unit has not been assembled tightly. If pooling should occur it is advisable to drain the fly to avoid possible damage to frames and fabric.

Tents are intended for recreational use only.
