Should any manufacturing defect arise within this warranty period, Taipeng will repair or replace (at our option) any defective merchandise upon proof of purchase; however, transportation and delivery costs, as well as payments to a third party for assembly or disassembly of the item, remain the responsibility of the purchaser. A purchaser of an "open box", previously-returned, or "clearance" item, as well as original purchasers outside of the warranty period, may obtain replacement parts from Taipeng for products in current production, at nominal cost.
