LG Dishwasher Quick-Start Guide
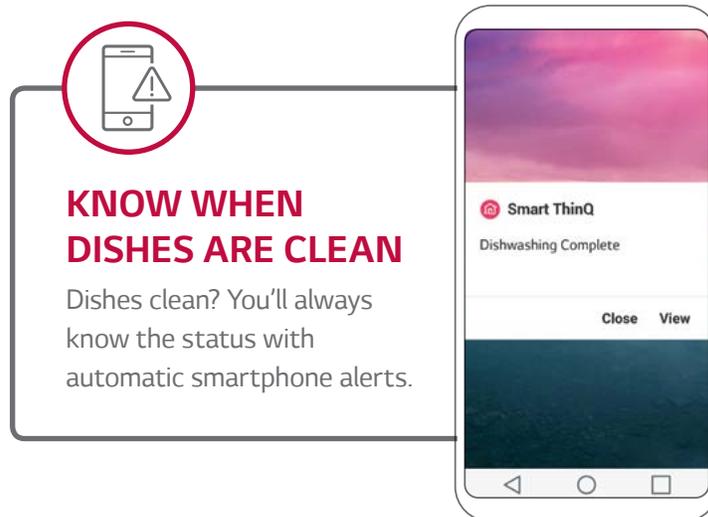

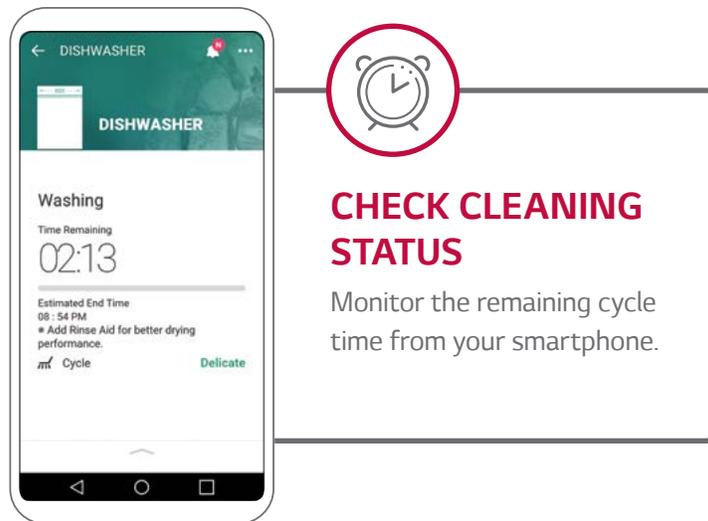

SmartThinQ ®

LG

This guide shows you how to quickly download the free LG SmartThinQ® app to your Android or iOS device and connect your LG Dishwasher

Now, you can control key LG Dishwasher features from your smartphone!

CHECK CLEANING STATUS

Monitor the remaining cycle time from your smartphone.

KNOW WHEN DISHES ARE CLEAN

Dishes clean? You'll always know the status with automatic smartphone alerts.

Visit **lg.com/us/discover/smartthinq** to explore additional Smart Dishwasher features and capabilities.

DOWNLOAD THE SMARTTHINQ® APP

01

DOWNLOAD

Download the SmartThinQ® app from Google Play or the Apple Store.

02

START

Launch the SmartThinQ® app and press start. Press create account and follow the on-screen instructions. Enter your account information and verify your e-mail.
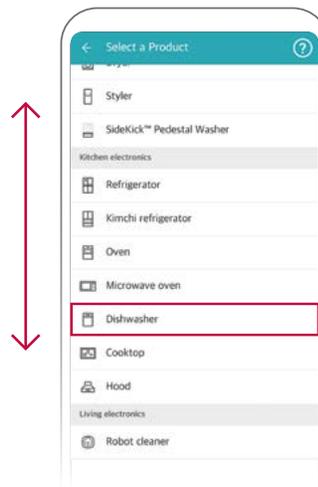

SELECT YOUR PRODUCT

03

SIGN IN

Click agree to accept Terms of Use. Press sign in and enter your e-mail ID and password.

04

SELECT

Tap on the "+" at the top of the screen to register your product. Select Dishwasher from the menu.

# 05 (ANDROID)

CONNECT PRODUCT & WI-FI

Connect SmartThinQ® to the LG Network by following the on-screen prompts below.

**1.** After selecting Dishwasher, follow the on-screen prompts to verify your appliance type.

3. On the next screen, select the name of your wi-fi network, enter a valid password and press connect. Please note: Only a 2.4 Ghz wi-fi connection is supported.

2. Once finished with appliance type verification, press and hold the Delay Start button on the Dishwasher for 3 seconds until the wi-fi LED light starts to blink.

4. It may take up to 2 minutes to connect to your selected wi-fi network and completely register your Dishwasher. Once finished, your product will be listed on the main dashboard.
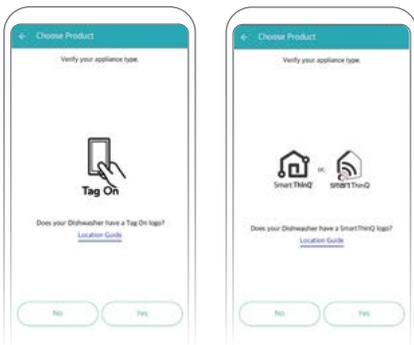

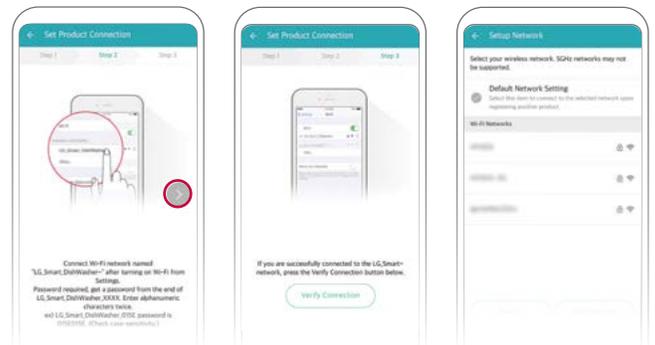

05 (iOS)

CONNECT PRODUCT & WI-FI

Connect SmartThinQ® to the LG Network by following the on-screen prompts below.

1. After selecting Dishwasher, follow the on-screen prompts to verify your appliance type.

2. Once finished with appliance type verification, press and hold the Delay Start button on the Dishwasher for 3 seconds until the wi-fi LED light starts to blink. Press the ">" button to continue.

On your phone, go to settings and press Wi-Fi. On the list of options, select LG_Smart_DishWasher. Note: If prompted for a password, enter the last 4 digits twice from the wi-fi name.

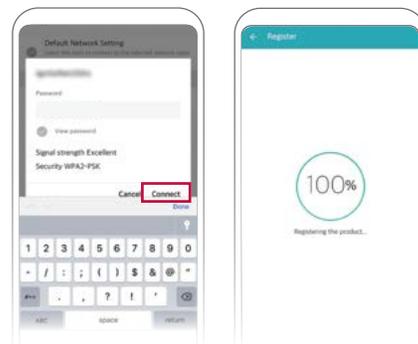

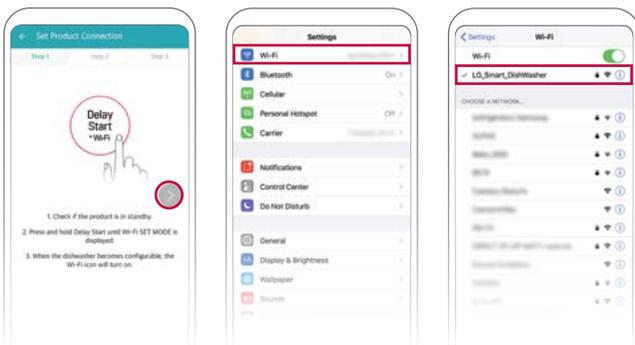

3. Return to the SmartThinQ® app and press the ">" button. On the next screen, press verify connection. Select the name of your wi-fi network to connect. Please note: Only a 2.4 Ghz wi-fi connection is supported.

4. Enter the password for the wi-fi network you have chosen and press connect. It may take up to 1 minute to completely register your Dishwasher. Once finished, your product will be listed on the main dashboard.
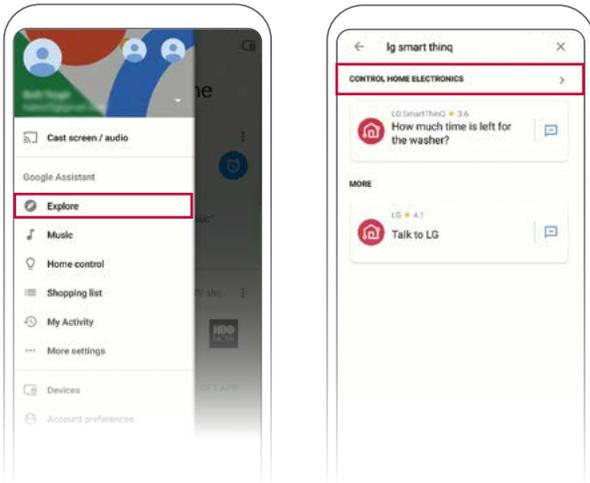

CONNECT YOUR SMART SPEAKER

works with the Google Assistant
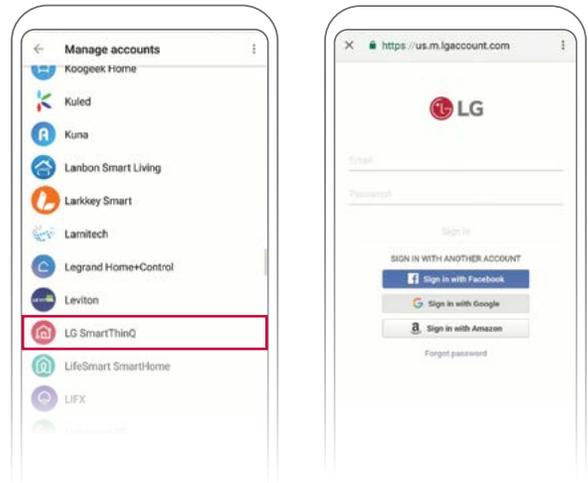

06 (GOOGLE HOME)

CONNECT

Connect your Dishwasher and enable use with Google Home by following the steps below.

1. Open the Google Home app on your smartphone. Go to the menu and press explore. Search LG SmartThinQ and press control home electronics after searching has completed.

3. Select LG SmartThinQ from the available menu. Sign in to your LG SmartThinQ® account and then press done in the upper right corner. You are now connected!

2. Press set up from the next screen. From the Home Control screen, press the menu in the upper corner and select manage accounts.

07

COMMAND

Talk to your Google Home and say: "Hey Google, talk to LG." The Google Home will then say: "Welcome to LG. How can I help you?" Once connected, try these sample commands with your Google Home. Enjoy!

"Hey Google, what is the dishwasher doing?"

"Hey Google, how much time is left on the dishwasher?"

06 (ALEXA)

CONNECT

Connect your Dishwasher and enable use with Alexa by following the steps below.

1. Open the Alexa app on your smartphone. Go to the menu and press skills. Search LG SmartThinQ and press LG SmartThinQ – Complete (Smart Appliance and TV) after searching has completed.

2. Press enable from the next screen. Sign in to your LG SmartThinQ® account. You are now connected!

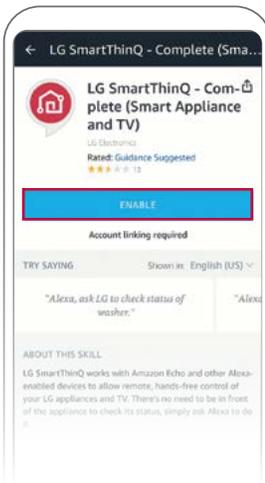

07

COMMAND

Talk to Alexa and say: "Alexa, talk to LG." Alexa will then say: "Welcome to LG. How can I help you?" Once connected, tell Alexa a command for your product. Enjoy!

"Alexa, ask LG to check status of the dishwasher."

"Alexa, ask LG for status of the dishwasher."
