Safety Guidelines

Please follow the safety guidelines below at all times when operating or caring for your device.

• Be wary of any edges, uneven surfaces, and metal parts, including on accessories and product packaging, to prevent any possible injury or damage.

• Listen to music at a proper volume to avoid hurting your hearing and the earphones.

• Avoid storage in high temperatures, such as in a hot vehicle or in direct sunlight.

• Do not expose the earphones or any of its supplied parts to rain or other liquids.

• Do not drop or cause undue impact to the earphones.

• Do not modify, repair, or dismantle the product on your own.

• Do not use any dilutant or volatile liquid to clean the product.

• Do not use the product in a hazardous location.
