5PKUSA

5PKUSA PRODUCT TECHNICAL SPECIFICATION SHEET

General Specifications:

Product Code	5PKUSA
Power	N/A
Power Cable Length	N/A
Tank Capacity	17.5 FLOZ.
Steam Pressure	N/A
Operating Time	N/A
Assembled Dimensions (in)	50 Inches High
Assembled Weight (lbs)	26 OZ

Material Specifications:

Body Material	ABS
Colour	Blue / Grey
Tank	ABS
Safety Features	N/A

Box Contents:

Standard	Universal Spray Mop Body Plus Handle and Trigger with 17.5 Fl oz Universal Tank Hard Floor Rotary Sweeper Window Cleaning Squeegee Rectangular Flat Mop / Duster Corner Mop / Duster
----------	--

Logistical Information:

Consumer Carton Dimensions (in)	9.0 x 5.0 x 27.5
Consumer Carton Weight (lbs)	3.50
Mailer Carton Dimensions (in)	9.5 x 5.5 x 28.0
Mailer Carton Weight (lbs)	3.75
20' Container Quantity	2000
40' Container Quantity	6000
HS Code	96039090
Standard Supply	4 Colour Consumer Carton plus Mailer
Bar Code	5034595 - TBA

Warranty:

Standard	12 Months Limited
----------	-------------------

Features & Benefits

The complete surface cleaning kit offers the consumer the ability to wash and squeegee clean windows as the spray mop can be used upside down due to the unique liquid pick up tube, so no need to carry additional water. The consumer can then sweep the hard floor with the rotary sweeper, picking up all the dirt and dust, before either mopping, dusting or polishing with the easy to use spray mop. Finally, swapping the head from squeegee to sweeper and on to the mop is nothing more than a simple click and just to make sure the consumer can get in to the hard to reach corners, a corner mop head is also included in the 5PK.
