

EzMod Furniture Warranty

Q: What warranties do we offer?

A: Our products have been carefully examined and inspected at time of shipping and warranted to be free of defects. We offer a full 30 day warranty on our product from the date of receiving against any manufacturer defect and shipping damage.

All the furniture we sell is brand new and carries a manufacturer's warranty. Most manufacturer warranties are only limited warranties and do not cover any wear and tear. This warranty does not apply to merchandise sold "as is". Defects caused by customer abuse or negligence is not covered. Fabric wear-ability and color fastness for upholstered furniture are not covered by this warranty. The liability of seller for any defect in the affected goods shall be limited to repairing or replacing the goods, whichever the seller shall elect. Seller's option to repair or replace is hereby expressly agreed to be buyer's sole remedy. Under no circumstances shall seller be liable for incidental or consequential damages for the breach of warranty of merchantability or for any other reason.
