LIMITED WARRANTY

The BLACKHAWK!® product lines listed in the chart above are warranted to their original owner to be free from defects in parts and workmanship for the specific periods of time as indicated in the chart and further explained in the footnotes below it.

At our option, BLACKHAWK! will repair, replace, or refund the purchase price of any of these products that are found to be defective under these guidelines unless it is damaged due to ordinary wear and tear, lack of proper maintenance, employment outside of their areas of intended use, misuse of the product or failure to follow the instructions and warnings contained herein. Please note in the case of the M.O.D.® and BLACKHAWK! Knives products that "misuse of the product" includes, but is not limited to, such activities as prying, throwing the knife, using it as a screwdriver, or opening folding knives with inertial or "wrist snap" openings. The following conditions and exclusions also apply: Disassembly or modification of any M.O.D. or BLACKHAWK! Knives products by an unauthorized person voids this warranty; as does alteration, misuse, battery leakage, or disassembly of any part of the Night-Ops® and BLACKHAWK! Flashlights other than for battery or bulb replacement (as described in the instruction manual). Disassembly or modification of any BLACKHAWK! Stocks products by an unauthorized person voids this warranty (as described in the instruction manual).

¹ All standard BLACKHAWK! Hydration reservoirs, delivery tubes, and bite valve are warranted against defects in materials and workmanship for 12 months from the date of purchase. All BLACKHAWK! Hydration disposable products are exempt from this or any warranty from BLACKHAWK!

² All M.O.D. products are warranted to their original owner to be free from defects in parts and workmanship for the life of that owner. Excluded are the Harkins Triton (blade-out-the-front) models which are covered by a one-year warranty with proof of purchase.

³ All Night-Ops products are warranted to their original owner to be free from defects in parts and workmanship for the life of that owner. Excluded are the batteries, bulbs, and electronics found within the Night-Ops line. There is no coverage for the batteries and bulbs, but the electronics are covered by a one-year warranty with proof of purchase.
