[About Us](#)[Contact Us](#)

Dear Customer and future Customers,

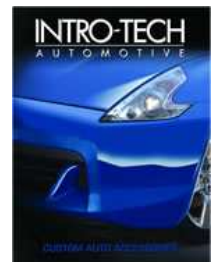

It is with great enthusiasm that I introduce our new and improved Intro-Tech Automotive Web Site. Since 1991, Intro-Tech Automotive has specialized and led the industry in improving driving enjoyment by manufacturing premium quality custom automotive accessories. Our comprehensive General Motors licensed product line is testament of our commitment to the seamless integration of accessories into the industry.

Our account base has grown into the thousands and our strength lies in our ability to provide limitless customer support and consistent service. Our highly efficient shipping and delivery schedule will amaze your customers.

All our custom made products are manufactured in our state of the art Southern California facility. Our manufacturing excellence is achieved through the use of the latest cad computer cutting technology. By using only the finest raw materials, we are proud to offer you our unsurpassed lifetime warranty on all our products!

We are "driving forward" at high speed with innovative product features and new product lines, supported by our worldwide patented marketing concepts. The entire Intro-Tech Automotive team invites you to come along for the "ride".

Henri Lenterman
President
