

Hoists

Key Features

- Heat treated chain for extreme durability

- Spring loaded safety latch secures hoists to anchor and keeps it there

84 Commercial Rd. Huntington, IN 46750

7518
1 Ton Chain Hoist

7519
2 Ton Chain Hoist

- Line Speed; 33 ft/m
- 1/4" grade 80 steel chain
- Forged 360 degree swivel hooks for strength
- Mechanical load brake for positive load control when lifting or spotting
- Rugged hardened steel construction
- These hoists are designed using the latest technology and manufactured with quality materials at a price you can afford. In fact, you could spend twice as much and still not get as good a hoist. Hooks are drop forged for strength and long life.
