## Paintball Solutions

Paintball Solutions is your one-stop shop for all Empire Paintball, Empire Battle Tested Paintball and JT Paintball product manuals, schematics and parts diagrams. We also provide manuals for Legacy Brands including; 32 Degrees, Brass Eagle, Diablo, Evil, Extreme Rage, Hater, Invert, PCS, Piranha, Psychoballistics, Pure Energy, RPS, Stryker, Vents, Viewloader, WGP and XO.

We continue to manufacture top-of-the-line products from beginner to professional. We stand behind every product we manufacture 100%. If you ever need technical assistance or have a question about something you've purchased please visit our customer support site; <http://support.empirepaintball.com>.

If you can't find an answer to your question on our support site, you can always contact our technical support/customer service department at **1-800-220-3222** or by email [tech@paintballsolutions.com](mailto:tech@paintballsolutions.com).
