Safety Information

EXAMINE YOUR FURNITURE

Examine occasionally to ensure that there are no loose parts. If loose parts are found, they must be retightened fully before additional use.

Warranty

1 YEAR WARRANTY FOR FRAME, RESIN WEAVE WHAT IS COVERED

We warrant to the original purchaser for one year, from the date of purchase, that the frame, resin weave will be free from manufacturing defects. This warrant also covers peeling, cracking, blistering, discoloration, or fading for this one year period.

WHAT IS NOT COVERED

This warranty does not cover commercial use, contract, or other non-residential purposes. Warranty does not include nor cover normal fading and discoloration of the finish or fabrics, rust on general metal frames, normal wear and tear, scratches, chips, misuse, abuse, neglect, improper cleaning products, use of sun-tan oils or chemicals, vandalism, damages due to improper assembly, acts of nature, fire, freezing, abusive use, and other circumstances beyond defects in material and workmanship.

Glass tabletop breakage and corrosion or rusting of hardware are not covered. In addition, purchased parts are not covered under this warranty.

The manufacturer, at its option, will repair or replace the defectives parts.

Any replacement of warranted items will be in the original style and color, or a similar style and color if the original is unavailable or has been discontinued.

Proof of purchase (date register receipt) is required for warranty claims.

It remains the customer's responsibility to pay for freight and packing charges to and from the service center.

Warranty is to the original purchaser and is non-transferable.

As some states do not allow exclusions or limitations on an implied warranty, the above exclusions and limitations may not apply.

This warranty gives you specific rights, and you may also have other rights, which vary from state to state.

3 YEARS WARRANTY FOR SUNBRELLA FABRIC

Fabric is warranted to be free from manufacturing defects for a period of three (3) years.

Discoloration or fading of the finish as a result of exposure to the elements, chemicals, or spills is not covered.

The above statement "WHAT IS NOT COVERED" also applies to the fabric.

Care and Maintenance

1. Resin wicker is suitable for indoor or outdoor use and resists fading and mildew. To maintain it, wipe frame with a slightly damp cloth and dry completely; do not use bleach or solvents.
2. Though its powder-coated finish is rust-resistant, frame is prone to rust over time with exposure to the elements. In case of rust or scratches, lightly sand the affected area and apply touch-up paint. To maintain the finish, periodically apply wax with a soft cloth.
3. Wash the frame with a mild solution of soap and water, rinse with clean water, and dry thoroughly.
4. Cushions may also be clean by hand with a mild solution of soap and water. Rinse the cushion cover thoroughly and allow to drip dry. The back cushion should be spot cleaned with a soft cloth. Do not machine wash or tumble dry, as cushions may shrink. Do not use bleach or solvents on fabrics. Never use cleaners that contain acid or abrasive materials.
5. Do not store anything on glass tabletop. Ensure the "O" ring is in place in the umbrella hole in the glass top before inserting umbrella.
6. To prolong the life of your outdoor furniture, cover furniture with outdoor-furniture covers when not in use. Store indoors during winter months.
