

Kodak Ink Cartridges - Shelf Life Details

Updated: 7/1/13

Because genuine Kodak ink cartridges do not have limited shelf life, there is no expiration date noted on the packaging.

Our current practice employs manufacturing codes (eg: "83K 834") that will allow appropriate identification of production details, while minimizing any confusion to our consumers and retailer partners.

Kodak Ink Cartridges *do have a limited warranty*, which is called out on the packaging and detailed in packaging insert. Kodak warrants genuine Kodak ink cartridges to function properly for use in Kodak EasyShare All-In-One Printers for one year from the date of purchase. Additional details are contained on packaging insert and also available through Kodak Customer Service (in the US and Canada call: 1-800-421-6699)
