CONSUMER PRODUCTS APPROVED SERVICE CENTERS

WARING product(s) are produced with the finest workmanship and materials available for durable service. However, if at any time repairs are required, send the complete appliance prepaid to the Waring Service Center or to the authorized service center nearest you.

The authorized service centers are listed on the back hereof and have been carefully selected to render faster and more efficient service with factory approved procedures for testing, disassembly, assembly and adjustment with genuine WARING replacement parts.

This warranty supersedes all other express product warranty or guaranty statements.

ONE YEAR LIMITED APPLIANCE WARRANTY

All components are warranted for a period of one year from date of purchase. In the absence of a purchase receipt, the warranty period shall be 24 months from the date of manufacture. Any implied warranties, obligations, or liabilities, including but not limited to the implied warranty of merchantability and fitness for a particular purpose, shall be limited in duration to the 24 month duration of this written, limited warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

If your product fails to operate properly while in use under normal household conditions within the warranty period, simply send the complete appliance prepaid to the Waring Service Center, Waring Canada or any Waring authorized service center. California residents need only supply proof of purchase and should call 1-800-269-6640 for shipping instructions. If the appliance is found by Waring to be defective in material or workmanship, Waring will repair or replace it free of charge. If you are sending your appliance, please include a memo giving your name and address, the model number, reason for return, date purchased and where purchased. Please allow three to four weeks for mailing and servicing time.

If malfunction occurs beyond the warranty period, you may request an estimate of repair costs from the Waring Service Center or any Waring authorized service center, prior to your authorizing repairs.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state or province to province so that certain limitations or exclusions set forth above may not apply to you.

CALIFORNIA RESIDENT ONLY

California law provides that for In-Warranty Service, California residents have the option of returning a nonconforming product (A) to the store where it was purchased or (B) to another retail store which sells Waring® products of the same type. The retail store shall then, at its choice, either repair the product, refer the consumer to an independent repair facility, replace the product or refund the purchase price less the amount directly attributable to the consumer's prior usage of the product. If either of the above two options do not result in the appropriate relief to the consumer, the consumer may then take the product to an independent repair facility if service or repair can be economically accomplished.* Waring, and not the consumer, will be responsible for the reasonable cost of such service, repair, replacement or refund for nonconforming products under warranty.

California residents may also, at their preference, return nonconforming products directly to Waring for repair or if necessary, replacement by calling our Consumer Service Center toll-free at 1-800-269-6640. Waring will be responsible for the cost of the repair, replacement and shipping and handling for such nonconforming products under warranty.

* If the nonconforming product is to be serviced by someone other than Waring's Authorized Service Center, please remind the servicer to call our Consumer Service Center to ensure that the problem is properly diagnosed, the product serviced with the correct parts, and to ensure that the product is still under warranty.

Inquiries concerning this warranty and the use or service of Waring appliances should be sent to:

WARING SERVICE CENTER
314 ELLA T. GRASSO AVE.
TORRINGTON, CT 06790
(800) 269-6640

or

WARING CANADA
100 CONAIR PARKWAY
WOODBIDGE, ONTARIO,
CANADA L4H 0L2
(800) 472-7606

IMPORTANT: Be sure to return all parts with the appliance, packed carefully, and indicate your return address on the outside of the package. You may wish to insure the package against possible damage or loss in transit.

Electrical appliances require special repair procedures; therefore, repairs should never be attempted by anyone other than a Waring authorized service person. In order to derive the most enjoyment and best service from your Waring appliance, please take a few minutes to read carefully the instructions contained in the enclosed booklet.
