FINISH PROTECTION & FINISH WARRANTY TERMS

Dee Zee products have a high quality finish that must be cared for like any other exposed finish on the vehicle. Protect the finish with a non-abrasive automotive wax, (e.g. Pure Carnauba) on a regular basis. The use of any soap, polish or wax that contains an abrasive is detrimental, as the compounds scratch the finish and open it to corrosion. The finish of all Dee Zee products is covered for 1 year from the date of purchase. Claims submitted after one year from the date of purchase are subject to review, and are covered at the sole discretion of Dee Zee, Inc.

DISCLAIMER

Buyer assumes all risk and liability for the installation and use of Dee Zee products. Dee Zee products are sold as appearance accessories and should not be relied upon as protection for the vehicle or its occupants in the event of a collision or roll over. Vehicles equipped with a supplemental restraints system (air bags) deployed by impact should not be modified in any way. Always consult the vehicle manufacturer if you have any questions regarding supplemental restraint systems. Dee Zee, Inc. assumes no liability for injury, loss, incidental or consequential damages in the event of an accident.
