Skyway® takes pride in its products and is committed to providing its customers with quality luggage. The Skyway® 5 Year Limited Warranty covers the repair of your luggage in the unlikely event of a defect in material or workmanship. If your luggage cannot be repaired, Skyway® will replace it. The 5 Year Limited Warranty does not cover damage as a result of airline abuse and mishandling or normal wear and tear. Moving parts and wheels will show signs of wear and tear with use and may need to be repaired or replaced. If an airline damages your luggage, Skyway® recommends that you file a claim directly with the airline. To take advantage of the 5 Year Limited Warranty, please call, email or write to Skyway® explaining the problem, leaving your name and contact information. You will be issued a claim number and referred to the nearest luggage repair facility. You will be informed of how and where to send your claim number to the repair facility. Skyway® reserves the right to evaluate and make the final judgment on all claims. Please do not send luggage directly to Skyway®. This warranty gives you specific legal rights which may vary from state to state.
