

The Patriot Warranty

Your Patriot Gas Chipper-Blower-Vac (CBV) is warranted to be free of defects in materials and workmanship for the warranty period, specified below. During the warranty period, we will repair or replace any defective part at our discretion, at no cost to the original owner.

*Note: The warranty is **non-transferable**.*

The warranty applies to products that have been operated and maintained in accordance with the instructions provided within this owner's manual.

The warranty does not cover parts which do not function properly due to:

- normal wear-and-tear
- negligence, misapplication, or accident
- alteration, abuse, misuse, or improper maintenance

Patriot Products, Inc. shall not be liable for any damages or injuries arising from our products, defective or otherwise. The Patriot Warranty gives you specific legal rights; you may have other rights which vary from state to state.

Residential-Use

The warranty period for residential-use of a Patriot Gas Chipper-Blower-Vac (CBV) is two (2) years from the date of purchase. Proof of purchase is required.

Commercial-Use

The warranty period for commercial-use of a Patriot Gas Chipper-Blower-Vac (CBV) is one-hundred-eighty (180) days from the date of purchase. Proof of purchase is required.

Gas Engine

The manufacturer of the engine provides the warranty, independently, for that component; please contact them directly, regarding warranty concerns. If you experience a problem with the engine, we will try to help resolve any issues; however, the final word lies with the engine manufacturer. Proof of purchase is required.

Warranty Contacts

Patriot Products, Inc.

To contact Patriot directly, you can email us at:

info@patriot-products-inc.com

or call us at:

(800) 798-2447

or

(262) 523-4580

Our normal business hours are Monday through Friday, between 9 a.m. and 4 p.m. CT. Voicemail is available after normal business hours.

Take a moment to record the following information in the space provided, for convenient future reference. The model and serial numbers can be found on the grinder-housing, next to the discharge-opening.
